The Pep Club was organized around September to prepare for Homecoming. They learned lots of new chants and vells that the cheerleaders had learned from camp. We've tried many ways to get pep this year. There is also a Pep Club Fund started.

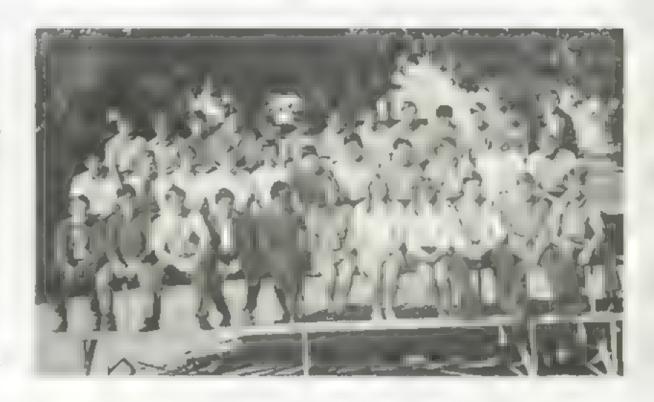

I would like to express my appreciation to those who did participate in raising school spirit.

mr. mcsweeney's message

Each year as it comes time for me to write my message to the graduating class, I think of the many things this particular class has accomplished and the many challenges confronting them in the years to come.

With all of the turmoil and unrest on college campuses and throughout the world, it gives us a feeling of confidence in the future of our nation to know that there are many, many level-headed and upstanding young people such as you, who will be the leaders of tomorrow.

So, don't lose your dream of peace on earth and a better world or your zeal for its accomplishment, remembering always that there is a right way and a wrong way to achieve your goals--choosing always the right way to the best of your ability.

This has been a very fine class and we sincerely appreciate your help and cooperation in making this the best of schools possible. My very best wishes to all of you for a successful and happy future.

There seems to be a change in Hilmar's toothal praying as Coach Brink and Coach Van Lengen directed their team to a 5+3-1 record for the season and a 3-2-1 record for the league missing championship by one point. There was a great improvement under the new coaching as 4 players made all conference, 4 made second team and 5 made honorable mention. Leading the team were Jim Anlem, lineman of the year for the Soathern League, Louis Bandgard and Ray Rohn, All-Area. Leading the league in scoring were Chris Seward in touchdowns and Rod Avilla in touchdown passes.

The JV's, running a single-wing offense also, overpowered all their opponents with a strong line and quick backs. Congratulations to Coach Carlson and Coach Selle for an outstanding year.

varsity basketball

This year's basketball to me had probably the hardest year ever, as the southern league turned out to be highly talented. The yellow packets, under the new enaching of Mike Crazike, found the higher leagues easier compiling a Sel non league record, a 6-4 league record, and in 11-5 over all. Leading the term are Par McSecney and Ray Rohn who are both leading the league and the Stanislaus district. Larry Machado, also in the scoring column, is leading the team with assists and one of the league's best ball handlers.

not marble, nor the gilded monuments

Not marble, nor the guilded monuments Of princes, shall outlive this powerful rhyme;

But you shall shine more bright in these contents

Than unswept stone besmear'd with sluttish time.

When wasteful war shall statues overturn. And broils root out the work of masonry, Nor mars his sword nor war's quick fire shall burn

The living record of your memory

Gainst death and all-oblivious enmity Shall you pace forth; your praise shall still find room

Even in the eyes of all posterity

That wears this world out to the ending doom.

So, till the judgment that yourself arise,

You live in this, and dwell in lover's eyes.
